How to Identify Model and Serial Numbers...

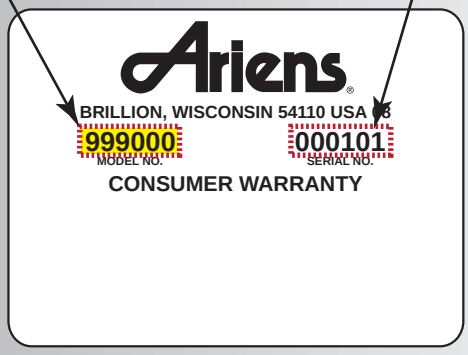
Snow Products | Riding Lawn Products | Walk-Behind Lawn Products | Chore Products

Your equipment should contain a Model and Serial Number Label similar to one of the styles below.

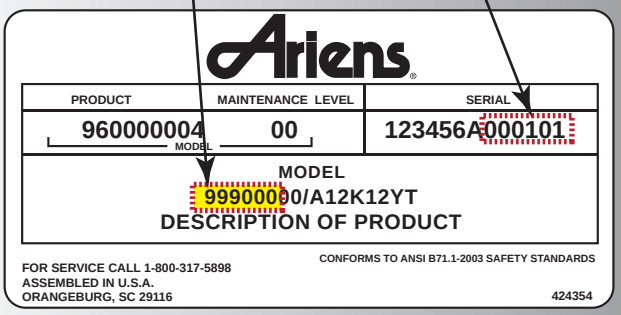
Model Numbers are six digits in length and begin with the number "9" (except very early models).

For help in locating the Model and Serial Number Label, please click on the tab above that closest describes your equipment.

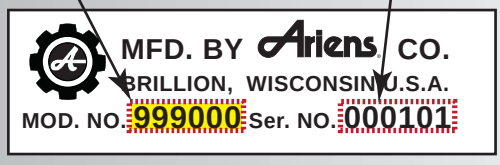
Model Number Serial Number



Model Number Serial Number



Model Number Serial Number



Serial Number

If you have a walk-behind mower with a model and serial number label similar to this, CLICK HERE for help in identifying the correct model number. For a riding tractor CLICK HERE.

Home

Model and Serial Number Labels for the Sno-Thro product line are located on the rear or left side of the Main Frame, below the operator's position.

Model and Serial Number Label locations.

Early models may have the model and serial numbers stamped in the frame. Model numbers may also contain the letter "M" as in "10M".
